ANNUAL REPORT 2025-26

Good evening esteemed guests, distinguished dignitaries, teaching non-teaching staff, parents & dear friends.

It gives me immense pleasure to welcome you to our Annual Day Celebration, a much anticipated event that allows us to reflect on and celebrate the achievements and progress of our school. This year is particularly special as we mark, not just another year of excellence but the completion of 26 glorious years of our school's journey. Over the past year, our school has grown in many dimensions – be it in academic accomplishments, extracurricular achieves, infrastructural development, or community service.

The School, owned and managed by M.S.S. has been functioning in 2000. There are 1066 students, 58 teaching staff and 15 non-teaching staff on roll. Along with imparting quality education to match the advancement in technology and globalization, we lead our children ahead with the core moral values and principles upheld by M.S.S. We endeavor constantly to instill these qualities in our children. We are proud of ourselves that we help them to grow and develop into responsible citizens of next generations.
